

# Is Your Pet Prepared for an Emergency?

- Did you know Red Cross Shelters don't allow pets?
- Do you know what to keep on hand in order to be prepared for an emergency?
- Do you know what resources are available in our community?

**Prepare today to minimize disaster impacts tomorrow.**

# Pet Preparedness Checklist

- Make Sure Your Pet's ID is Updated**  
This includes tags and microchips. Be sure to keep all numbers and paperwork.
- Keep Vaccines Up-To-Date**  
Many emergency pet shelters will not take pets without current shots.
- Establish a Buddy System**  
If you are not at home plan with neighbors to find care for your pets. Do the same for them when they are gone.
- Gather Important Information**  
Gather together all important documents and proof of ownership in an easily accessible place.
- Take Photos of You With Your Pet**  
Photos can be used to help identify your pet or to verify ownership.
- Have an Emergency Kit**  
It is important to have a kit of needed supplies.
- List Community Resources for Pets**  
Know who and where to turn to before a disaster strikes.
- Select an Out of Area Contact**  
In some cases making long distance calls are easier than local calls.
