Joint Animal Services Commission Director's report

July 10th, 2023

Operations

Surgery Suite

We have officially started doing surgeries in the new medical building. On our first day, we completed 20 cat spay/neuter surgeries. We have since had 2 more surgery days for a total of 50 s/n surgeries and 1 leg amputation. We have several more days scheduled in July, and consistently twice a week in August. While we currently still do not have any applicants for the veterinary position, we have been contracting with both a veterinarian and licensed veterinary technician so we can still perform surgeries while recruiting for both positions. We are also offering volunteer positions in the clinic as veterinary assistants, currently, we have two volunteers who are helping, including our very own Jo MacGugan.

City and County Managers' Meeting

In June, we presented all the findings from the Capital Facilities Plan and the Facilities Assessment with city and county managers. We spoke about the condition of the building and invited all of their elected officials for a tour.

Olympia City Council Tour

On June 27th, five City Council members from the City of Olympia came for a tour of the facility and to learn more about our programs. They we also able to observe our surgery suite in action, visiting on one of our surgery days.

Best Friends' National Adoption Weekend

We had an amazing adoption event on June 30th and July 1st. Thanks to a grant from Best Friends Animal Society we were able to reduce adoptions to \$25 for all dogs and cats on those days. In total, we had 28 adoptions - 22 cats, and 6 dogs, including longtime residents Maybelline and Bandit.

TCSO Quarterly Communications Meeting

Since last year, JAS and TCSO have been meeting quarterly to make sure everyone has the latest updates on operations and to discuss any concerns. We have our next quarterly communications meeting set for August 16th.

Best Friends National Conference

I am excited to announce that I have been selected to present at the Best Friends National Conference in August. My session focuses on *Combating a Toxic Work Environment through Systemic Change* where I will be talking about tools and processes you can use to create long-term systemic change throughout your organization.

Happy Tails

Maybelline is a 2.5 year old terrier mix that came in as a stray to JAS back in February. She was adopted last weekend during the adoption event.

"We adopted Maybelline at the Best Friends National Adoption Weekend Event. She now goes by Nova Lee! She's enjoying her new furrever home here in Lacey on 20 acres with her new furry friend Vince and me!! We are ecstatic with her obedience and playful character. She's very well-behaved and sticks right to my side when doing yard work. She's a snuggler on the couch and I am proud of her as a dog owner. We are so happy thanks JAS."
